

# GHOST TRAIL AROUND THE HARBOUR

Find 10 friendly ghosts and a secret spooky spider around Sovereign Harbour.

Take a picture of our secret spider and a secret spooky team at Planet Golf to explore the wonders of the space-themed mini golf course and get into the spooky spirit with free glow-in-the-dark bands and lollipops for children to enjoy.

Plus! Look out for the flying bats printed on this map – it means you are getting creepily close to a ghost sighting.
